MODÈLES

Nos produits peuvent être modifiés sans avis préalable. L'envoi de nos catalogues ou nos documents, et emballages ne constituent pas un engagement de notre part.

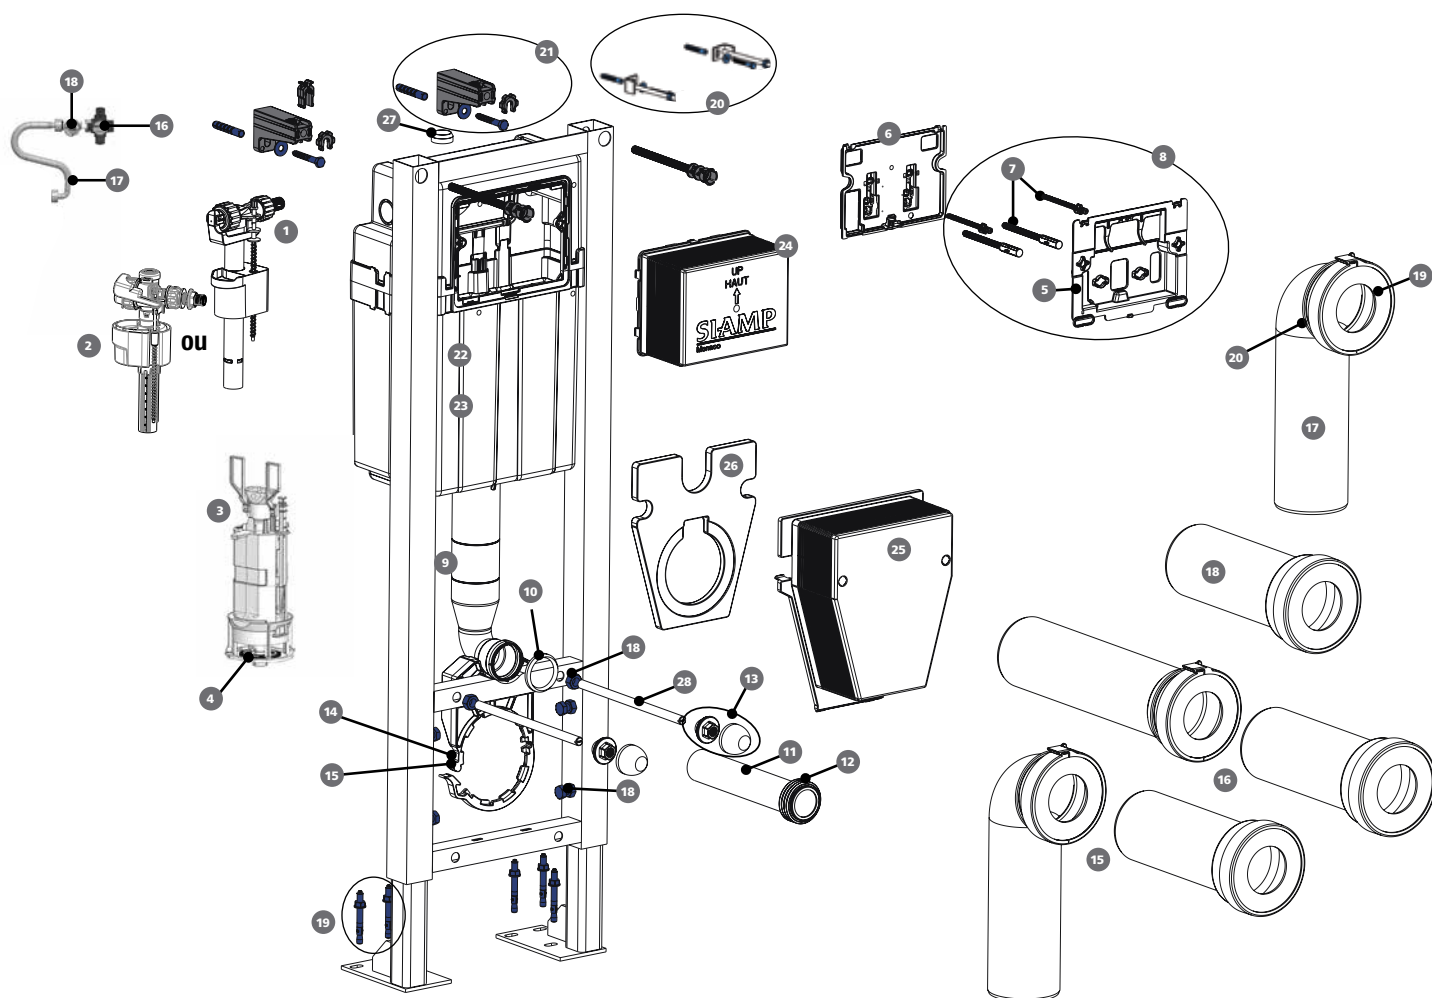

Tous nos produits sont garantis contre tout défaut de fabrication lorsqu'ils sont installés et employés dans des conditions normales. La charge de la preuve de cette utilisation incombe à celui qui invoque le défaut de fabrication. La durée de la garantie est limitée à un an à dater du transfert de propriété sauf mention écrite de notre part. Dans tous les cas où la garantie est appelée à jouer, même pour vices cachés, elle est limitée au remplacement pur et simple de la pièce défectueuse, à l'exclusion expresse du paiement ou du remboursement de tous frais, débours, indemnités, dommages et intérêts, etc. qui pourraient trouver leur source directe ou indirecte dans la défectuosité de l'objet. En notre qualité de vendeurs et de fabricants, fournisseurs de matériel de qualité, nous sommes contractuellement présumés ignorer tout vice caché des marchandises. Les mêmes conditions jouent après intervention de nos services en exécution de la garantie ou pour tous travaux généralement quelconques. L'objet présumé défectueux par l'acheteur devra être signalé immédiatement à notre société. Il sera après accord de celle-ci, retourné à notre usine pour examen par notre service de fabrication.

Durée de la garantie :

- Bâti-chasse : 10 ans hors pièces en caoutchouc et d'usure
- Plaque de commande : 2 ans hors pièces d'usure
